Bamboo furniture: Natural, durable and classroom-ready.

Bamboo Product Overview

Lifetime Warranty

Where creativity lives and clutter hides

Play meets practicality with our bamboo storage options. With a natural look and child-friendly height, they're ideal for early learning spaces. Sliding magnetic whiteboard panels spark creativity and neatly hide supplies when not in use.

BAM1 / BAM2 / BWS1 / BWS2

Available with a selection of tub colors

Easy to move and easy to use

These carts are great for books, craft supplies, or maker space materials—whatever your classroom needs.

Choose from 6 or 9 tubs, each holding up to 10 lbs. The open design makes it easy for students and teachers to see and grab what they need.

The natural choice for easels

Bamboo easels are a must for every classroom. With teacher-friendly features, our easels keep lessons organized and learning on track. They combine dry erase surfaces, built-in storage for books and materials, and a handy book ledge, making them perfect for story time.

Available with a selection of tub colors

A sensory world waiting to be explored

The **Bamboo Sensory and Construction Bricks Table** fits perfectly in early learning spaces.

With two height settings, it supports hands-on play and skill building in toddler and Pre-K classrooms. Includes four tubs, two lids, and a tabletop for construction bricks.

SST02 *Available with a selection of tub colors*

A little space of their own

Create a calm corner for play or quiet time. **Cozy Space** includes a built-in bookshelf, a removable double-sided magnetic whiteboard, and loops to hang a blanket or lights.

Open sides keep children in view while giving them a space to imagine, read, or relax.

CZY1

Where every day is a new adventure

The **Bamboo Make-Believe Stand** sparks creativity and supports early literacy.

With magnetic whiteboards and space for decorations, it becomes a puppet theatre, market stand, school bus and anything else a child dreams up. Easy to customize, it encourages communication through play.

BMB4 / BMB5

Available with a selection of tub colors

The **Bamboo Make-Believe Kitchen Set** turns play into learning. With a sink, stove, and fridge featuring magnetic whiteboards, pegboards, and shelves, it supports creativity, communication, and early literacy. Knobs and dials invite hands-on exploration, and each piece can be used on its own, perfect for flexible classroom setups.

BMB-KS / BMB1 / BMB2 / BMB3

Books within reach for little readers

With 3 tiers for books, the **Bamboo Book Display Rack** can sit on a table or the floor, making it just the right height for little hands to see and choose their next story. Simple, sturdy, and made for curious readers.

BBD01

Learning in motion

Drawing inspiration from our first product, the Science Block Kit, our **Simple Machines Play Center** is built for curious minds. Move ramps, pulleys, and a teetertotter to help develop motor skills and spark creativity. The perfect start for future inventors.
