Foresight™ Activity Table

Foresight 30x60 Trapezoid Table

MODEL#: 01133, 01134

Model # Shown 01133

OVERVIEW

Embrace the future of education with this affordable and adaptable activity table, designed to cultivate a dynamic and engaging classroom environment. This thoughtfully crafted table combines durability with functionality, providing an ideal solution for dynamic and collaborative educational environments. The Foresight line features a variety of fun shapes. Mix up collaborative spaces with stars, trapezoids, squares, moons, sprockets and interlocking Yin-Yang designs.

MATERIALS

The 1 1/4" thick work surface consists of a 45 lb density particle board core with a 0.030" high pressure laminated surface and a 0.020" melamine backer sheet. The edge of the tabletop features your choice of a 3/8" bumper t-mold or 4mm t-mold, which is then fastened to the underside of the work surface every 6 to 8 inches to assure a long lasting fit.

The Foresight line is available in a 15.6 -24.6"H leg and a 21.4 -30.4"H leg that will work from PreK all the way to higher ed learners.

*Foresight tables are designed for use with glides only and are not compatible with casters.
