# Media Pods

The Copernicus Media Pod with tablet storage provides early childhood and primary teachers with an all-in-one media station. This mobile unit is highly durable to withstand everyday classroom wear and tear.

---

## Highlights.

---

### Compact:

Our Media Pods have been developed to ensure that expensive media devices can be used by students in one handy place. The unit can store iPads®, other tablets, music systems, DVD's, CD's, headphones and books to create a compact one-stop-media-shop.

### Mobile:

The rolling frame with locking casters allows you to share the Media Pod throughout the school and around a classroom. The unit is also light enough to be transported by younger students.

### Product features:

- Holds 6 iPad®s or other tablets with or without cases
- Power strip mount to keep power close at hand (power strip not included)
