

THE SIGHTS & SOUNDS
OF EDUCATION

Single Ear Multimedia Stereo Headset

Model 1532

The innovative Single Ear Multimedia Headset offers the ability to listen to content but still hear what's going on around you. Its lightweight headband & on-ear earcup make this headset ideal for backstage, on-field and classroom uses.

1. Adjustable headband for personalized fit
 2. Widened headstrap better distributes weight for comfort
 3. Ambient noise-reducing earcup lowers outside noise so volume does not need to be as high for hearing safety, and helps keep students more on task
 4. Permanently attached 5.5' straight cord with reinforced "strain" relief connection resists accidental pull out
 5. Dual 3.5mm plugs
 6. Uni-directional microphone
- 90-day warranty for school use - unlike headsets purchased at consumer electronics stores whose warranties would be voided if used in schools.

"Project Intercept"

Please contact us immediately if you experience any difficulties with your headset. Our "Project Intercept" customer service program will quickly repair or replace items under warranty. Simply contact us via phone or email warranty@califone.com.
