Hearing Safe™ Foam Earplugs

Models **HS5** / **HS10** / **HS20**

HS5

HS10

HS20

Each of these three styles of earplugs will help block out potentially damaging external noises. They are designed to be worn while in industrial arts centers, factories, or other loud areas.

“Project Intercept”

Please contact us immediately if you experience any questions or issues with your ear plugs. Our “Project Intercept” customer service program will quickly repair or replace items under warranty. Simply contact us via phone or email warranty@califone.com.

Visit our website at www.califone.com to learn more about the complete line of wired and wireless *Califone*® headphones and other audio products including: Portable and installed public address systems, wireless microphone systems, group listening centers, multimedia players and computer peripheral products.

We are proud of helping teachers enhance student understanding and achievements since 1947, with your satisfaction as our first priority.

These earplugs carry a 30 day warranty with service support available through authorized dealers nationwide.

- Califone has partnered with the American Speech-Language-Hearing Association to promote the responsible use of personal audio technologies. Click on the “Listen To Your Buds” logo to learn more.
