OF EDUCATION

Hearing Safe™ Hearing Protector

Model HS60

Our most protective model, this snug fitting hearing protector blocks out potentially damaging external noises by completely covering the outer ear with its noise reduction rating of 37dB. It is designed to be worn by while in industrial arts areas, factories, or other loud areas where exposure to noise can be hazardous.

1. Rugged polypropylene headstrap
 2. Folding headband fits adults
 3. ABS plastic earcups hold up to continued usage in high-use settings
 4. Fuller sized earcups (1.4" x 2.5" x 1.2" opening) designed to completely cover the ears of adults for maximum protection
 5. Bright yellow safety color
 - One year warranty for school or business uses - unlike items purchased at a consumer electronics store whose warranty may be voided if used in these applications.
- Califone has partnered with the American Speech-Language-Hearing Association to promote the responsible use of personal audio technologies. Click to learn [more](#).

"Project Intercept"
