

THE SIGHTS & SOUNDS
OF EDUCATION

iPad® & iPhone® Docking Station

Model PA-MBiOS

Our iCompatible docking station is the ideal way to utilize mobile technology for group learning.

Its adjustable stand and arms cradle an iPad® or iPhone®* and once connected, the PA-MBiOS Docking Station fills a standard-sized room with rich stereo sound.

Any other audio source (including Android-based smartphones, tablets, and Chromebooks) can be connected through the rear-facing auxiliary input.

1. Two 2" full-range drivers for room-filling sound
2. Stand raises and lowers with up
3. 3.5mm aux-in for playing audio from other sources

One-year warranty for school use - unlike items purchased at consumer electronics stores whose warranties would be voided if used in schools.

"Project Intercept"

Please contact us immediately if you experience any issues with your PA-MBiOS Docking Station. Our "Project Intercept" customer service program will quickly repair or replace items under warranty. Simply contact us via phone or email warranty@califone.com
