Tech Tub² Modular Cart (FTT632)

"We need an affordable solution that will allow us to safely store and charge iPads[®] and Chromebooks[™] throughout the school in small groups."

Tech Tubs[®] are sold individually, allowing schools to 'grow their technology' at a pace that supports their device budgets. They can store and charge 6 or 10 iPads[®], Chromebooks[™] or a combination of both.

Meet the Tech Tub²® family

The Tech Tub²® collection of device storage and charging systems has mobility at its core. Trolleys, Modular Carts, a Premium Cart and now a Dual Duty Teaching Easel, are all designed to easily move devices wherever learning takes place. The flexible Tech Tub²® system allows schools to purchase individual tubs, carts or both as they roll out devices.

Tech Tub²® (FTT600)

How many devices does each solution hold?

10 Indicates that two tubs are permanently connected together and hold 10 devices

6 Indicates that the single tub holds 6 devices

Tech Tub²[®]

Developed with input from members of our Idea Lab educator advisory team, new Tech Tub²[®] family of products offer an affordable, flexible and mobile solution for charging and storing devices used in PreK-8 classrooms.

Affordable:

Tech Tubs[®] offer a direct alternative to high cost, heavy, oversized tech storage and charging carts. Tubs are sold individually, allowing schools to “grow their technology” at a pace that supports their device budgets.

Flexible:

Tech Tubs[®] can store, charge and sync Apple[®] devices, most 11” Chromebooks[™] and other tablets with or without cases with optional accessories to accommodate a variety of needs and budgets.

Mobile:

Tech Tubs[®] can be purchased individually and carried throughout a school or incorporated into Trolleys, Modular Cart Systems, a Premium Cart and teaching easel configurations.

Tech Tub²[®] features

Flip-up handle on the top

Two ergonomic handles on the door and back

Adjustable shelves accommodate devices with and without cases

Side clips connect multiple tubs together and easily break apart for sharing devices

Easy-to-use side cable organizer and lower compartment to keep cords and adapters tidy

Cable hooks on the back to manage cord during transport

3-point lock with 2 keys

Mounting hardware to secure tub to a surface

Be sure to check our **device compatibility chart**. Visit: www.copernicused.com/tech-tub2

Tech Tub²[®]

● Ideal for sharing devices throughout a school or classroom and can hold iPads[®], Chromebooks[™] or a combination of both.

Premium Tech Tub² - holds 6 devices (FTT600)

- Two ergonomic handles on the door and back as well as a flip-up handle on the top
- Holds all generations of iPads[®], most 11" Chromebooks[™] and other tablets
- Tubs connect and break apart using clips
- Adjustable shelves accommodate devices with and without cases
- Easy-to-use side cable organizer and lower compartment to keep cords and adapters tidy
- Internal 6 outlet power strip with surge protection
- Cable hooks on the back to manage cord during transport
- Made from durable high impact ABS plastic
- Ventilation holes throughout to prevent heat build-up
- Mounting hardware to secure tub to a surface
- 3-point lock with 2 keys

Premium Tech Tub² - holds 10 devices (FTT1000)

- Same features as the FTT600, except the 6 outlet power strip is replaced with a 10 outlet power strip
- Tubs are permanently connected

Additional model with USB hub that syncs and charges iPads[®] (SKU FTT1000-USB)

Dimensions

FTT600: 13" H x 12 1/2" W x 16 1/4" D
 16 1/2" H x 12 1/2" W x 16 1/4" D (with handle up)
FTT1000: 26" H x 12 1/2" W x 16 1/4" D
 29 1/2" H x 12 1/2" W x 16 1/4" D (with handle up)

Warranty

Lifetime Tech Tub²[®]
 1 year power strip / USB hub
