

Advantage Series

Portable Hot Water Handwashing Sink

IF YOU REQUIRE ADDITIONAL COUNTER SPACE AND LOCKING STORAGE, OUR **ADVANTAGE SERIES** hot water hand sinks offer both. This model includes with a stainless steel countertop, and a deep single stainless steel basin. Standard features on the **Advantage Series** include a soap dispenser, ADA compliant faucet handles, and adjustable shelves.

The roomy 24" x 48" cabinet is available in two natural wood grain finishes and features our stainless steel cabinet bottom that includes swivel casters for easier mobility. This model also offers the ability to add an extra set of water tanks for continuous usage (additional costs will apply).

Handwashing Compliance

Ozark River is the Standard

NSF® CERTIFICATION

NSF® Certification is a key factor separating Ozark River Portable Sinks® from its competitors. NSF® is the most recognized sanitation standard in many industries. Certification is critical to help ensure Ozark River Portable Sinks® complies with most state and local handwashing codes.

SACERS RATING

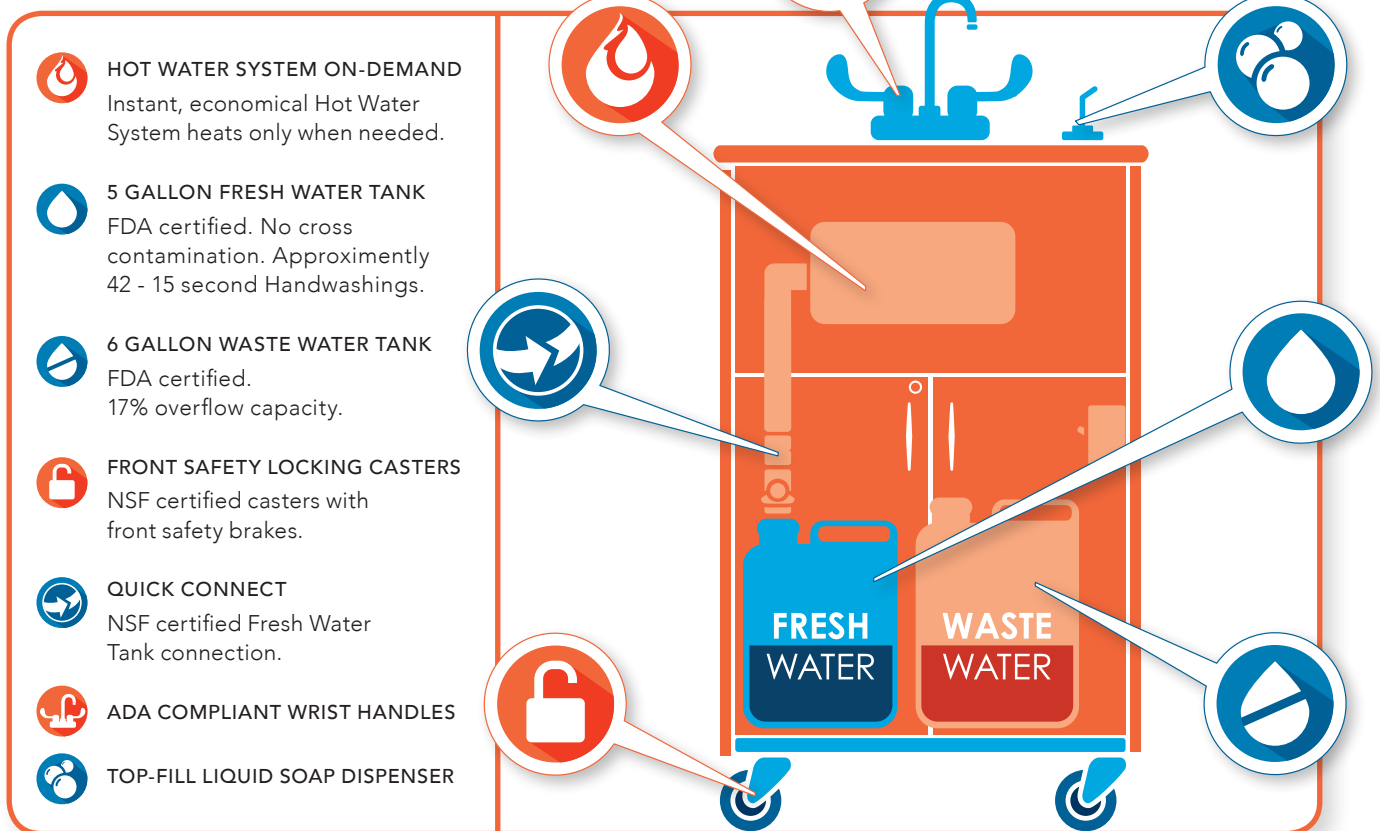

SACERS provides an easy to use resource for defining high-quality care and assessing levels of quality in child care programs. Ozark River Portable Sinks directly affect SACERS, increasing the rating.

SACERS Rating: 12 - 3.4 - 5.1 - 5.2

ENERGY AND WATER SAVINGS

Our reliable, instant hot water system uses a minimal amount of energy to heat the water. No preheating of water is required. Sinks also dispense a sensible 1/2 gallon of water per minute (GPM), providing a perfect, economical stream of water for handwashing while conserving precious water resources.

Consult with your state and local environmental health official to confirm usage of portable sinks in place of plumbing.
