The HATT

HEIGHT ADJUSTABLE TILT TABLE

The “HATT”-Height Adjustable Tilt Table is a proprietary design by CEF and is a game-changer in the classroom, boardroom, locker room, makerspace, office, and more! The versatility and smooth transition from sitting to standing, to tilting, engages all audiences at every level. The HATT embodies all of the necessities for true instruction and team building, while quietly boasting clean lines, calming colors, and silent motion.
