

THE SIGHTS & SOUNDS
OF EDUCATION

10-Pack of Deluxe Stereo Headsets Model 3066USB-10

An ideal companion for today's digital classrooms or libraries, this classroom pack of ten rugged USB-equipped headsets allows faster access to streaming multimedia and audio files. Its foam-lined storage case safely holds the headsets when they're not in use.

1. Recessed wiring resists prying fingers, with rugged ABS plastic headstrap and earcups to hold up to sustained use
2. Fully adjustable headstrap to fit all students
3. Permanently attached 7 foot cord with reinforced connection that resists accidental pull out with in-line volume and mute control, USB plug and Windows / Mac compatibility
4. Flexible gooseneck with electret mic and built-in wind screen to reduce recording of unintended sounds
5. Noise-reducing earcups lower ambient noise as recommended by audiologists for hearing safety
6. Replaceable leatherette ear cushions
 - Rugged Foam-lined Storage Case included
 - Slotted earcup baffles prevent access and help avoid accidental speaker puncture

Specifications
