Tips for Assembly:

2-Person Task

For safety, please have someone help you when working on steps displaying this symbol.

The symbol denotes a step needing extra attention to ensure it is done correctly.

Wood Maintenance:

When needed, wipe down with mild soapy water.

Wipe cleaning solution off immediately after use.

Recommended cleaning is once monthly, and at minimum, once per school year.

DO NOT use bleach or ammonia based products on finish.

DO NOT use other harsh chemicals to clean finish.

DO NOT leave standing water on product.

Organic materials, including birch and other woods, feature natural variations in color and grain pattern, and visual irregularities where growth nodes or knots exist. The particular color or pattern of any one part or product may vary from one item to another, and it may change slightly with age. These natural variations are considered normal and do not constitute a defect covered under warranty.
