

Copernicus Warranty

We hope you never need to make a warranty claim, but if you do, we promise to explore every way possible to fix it quickly. It's that simple.

There are exceptions to our Lifetime Warranty coverage. The whiteboards on our teaching easels (see our Whiteboard Replacement Parts Program below) and the electric lift on our iRover2® family of products both carry a five-year warranty. Dispensers, UV Tech Tub bulbs, and electrical components carry a one-year warranty. Portable sinks and clear panels carry a two-year warranty. Our product warranty is valid when used under the proper application in a classroom, daycare, or library.

A Note About Bamboo

Organic materials, including bamboo and wood, feature natural variations in color and grain pattern, and visual irregularities where growth nodes or knots exist. The particular color or pattern of any one part or product may vary from one item to another, and it may change slightly with age.

These natural variations are considered normal and do not constitute a defect covered under warranty.
