Food Tray Drying Rack

Aluminum Drying Rack

Our highly durable, aluminum meal tray drying racks are offered various sizes to facilitate the needs of any kitchen. The racks are designed with custom inserts that separate individual pans or trays, allowing air to circulate freely for more efficient drying and storage.

FEATURES:

- Frame constructed of 1.5" x 1.75" aluminum tubing
- **Tray slots:** 2.65" wide
- All guides .09 thick
- 5 x 2" platform casters
- Three and four shelf units available
- Ships knocked down

  **Fully welded options available*
- Lifetime Warranty against rust & corrosion

Food tray straps sold separately.
