Wood Framed Boards

ghent.
a GMI company.

Functional Art and Beauty

We've elevated the whiteboard and tackboard from purely functional to a beautiful piece of art. The prominent wood frame and matte black steel construction create an eye-catching combination that will contribute to the aesthetic of any space. Choose glass, fabric, or porcelain whiteboard surface options to configure Prest Wall to your needs. With multiple wood finishes and surface options available, Prest Wall can be designed to fit seamlessly into any space.

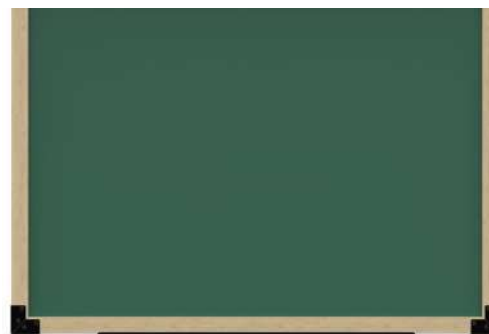

Aesthetic

Matte black steel corner accents and marker tray compliment stained wood framing.

Possibilities

Standard sizes up to 4 x 8, 18 standard glass colors, 28 standard fabrics, plus the option to use custom fabrics, logos, or colors.

Functional

Tackable board beautifully displays memos, photos, and notes. Choose from fabric or cork

Integrated

Bracket and marker tray (Glass and Porcelain only) work together to secure the board to the wall as well as keeping accessories within
