a GMI company.

Minimal Structure, Maximum Style

Silhouette provides an upscale appearance for a wall-mounted, enclosed bulletin board with a sleek, contemporary look that maximizes the viewing and display area. Modular design creates perfect viewing angles and allows units to be mounted side-by-side.

Configurable

With no designated top or bottom, the hinged door can open either to the left or right, depending on needs.

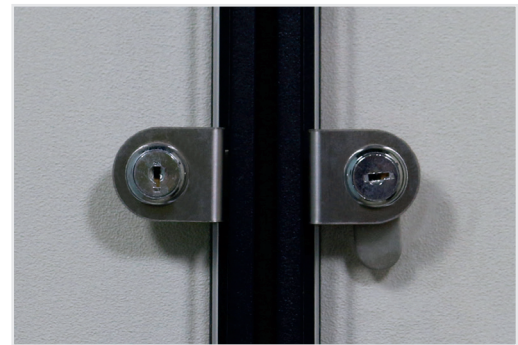

Full View

Unframed glass door and minimal sides reveal up to nine 8.5" x 11" pieces of paper without any obstructions.

Aesthetics

Convex-shaped top and bottom with low-profile frame create a clean, modern style – available in vinyl and cork options with two frame colors.

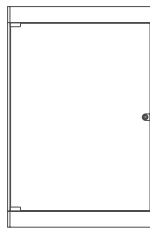

Durable

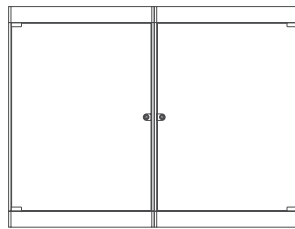

Aluminum extrusions and locking tempered safety glass door ensure the security of messages.
