

High-Quality Portable PA System

DVD/CD/MP3 Bluetooth®
and Wireless Handheld Microphones

VENU100A

The all-new HamiltonBuhl® VENU100A is a powerful, versatile and portable PA amplifier system, with all the latest features, including an ABS-engineered plastic shell making it a highly durable, impact-resistant PA system in a compact, portable design.

Delivering a powerful amplifier with built-in rechargeable batteries and Bluetooth® receiver, it is ideal for large indoor and outdoor events such as press conferences, sports venues, graduation ceremonies, musical productions - any setting requiring excellent, reliable, portable sound quality.

Built with the latest technologies to minimize and eliminate interference and feedback – delivering stable frequency – VENU100A delivers crisp, clear sound with dual UHF mic receivers for maximum versatility.
