

## JonTi-Craft® Illumination Light Pad

Super slim Illumination Light Pad opens up a new world for curious minds. Easy to setup and store – simply set it on a tabletop, plug it in, and turn it on. LED lights are adjustable and provide even lighting. Excellent for tracing, Prism Bricks®, x-rays, leaves, or other translucent items. The large surface fits up to 11" x 17" paper and includes MM/CM markings. Includes UL/cUL listed, 4 foot AC adapter that plugs into a standard 110V wall outlet. 1 year warranty. CARB II & CPSIA compliant. Commitment to Care.
