Inklüd® Mobile Whiteboard

The newest addition to the Inklüd family, the Inklüd Mobile Whiteboard adds even more seamless function to your work and learning spaces. With this series of sleek and stylish boards, you get mobile dry erase space, facilitate group learning, and even create private work areas.

Featuring anodized tubular platinum aluminum trim that coordinates seamlessly with other members of the Inklüd family, the mobile whiteboard comes with a magnetic porcelain steel surface to fit any need or environment, from corporate to classroom.

Double-sided dry erase porcelain whiteboard writing surfaces provide optimal performance and durability, and is available in two sizes.

Each mobile board includes a handy magnetic marker tray that holds up to 12 markers. The tray features a strong magnet, ensuring your tray stays in place. Magnetic ganging clips are also included, making joining the boards in your desired position easy.

Wide base design provides stability, and heavy duty locking casters give you easy mobility.
