

Spring Loaded Paint Drying Rack

Spring Loaded Paint Drying Rack

This 20 rack drying and storage solution is perfect for protecting the masterpieces of budding artists in any class or art room. The durable metal shelves allow paintings, collages and other works of art to dry flat; with enough room in between each shelf so artwork is not compromised. The unit includes a lock bar to secure racks in place and paper catch clips to ensure that artwork does not slip out of the rack.

Product features:

- Contains 20 spring loaded racks that make it easy for art to be inserted or removed with ease
- Holds up to 20 paintings
- Rack spacers can be personalized with student names
- Paint drip tray to protect classroom floors from unwanted spills (removable)
- Paper catch clips
- Four 2" locking casters for mobility and stability

Lock down bar holds racks in place

Paper catch clips

Removable paint drip tray (cardboard)

Personalized rack spacers
