PT-Table Series

PLANNING TABLES—Designed to be used in any environment from art and technical/industrial education, to general courses. Makes a great work bench too! The base is constructed of two tapered solid maple pedestal style panel legs and two solid maple truss bars. Choose from plain, book compartment or tote tray units. Book compartment measures: 28"W x 13"D x 2-1/2"H. The four totes measure: 13"W x 19"D x 4"H. Other choices include standard height (30"H) or elementary height (26"H), and the choice of 1-3/4" solid maple top or 1-1/4" plastic laminate in either birch or almond color. (All units are 60"W x 42"D)
