

A&D Cantilever Table*

Paragon 

Introducing Paragon's newest "anything but traditional" design. Our desk will create configurable space with an open-tablet-styled workspace and room for easy access. The design is cohesive to the chair frame. The desk has rounded soft edges and understated lines with color touchpoints. Sidebars allow for unique accessory and ganging ease.

* The systems comprising the A&D line are patent-pending.

A&D Cantilever Table*

product overview

Surface/Edge

1/2" HPL with 1mm PVC edge. Fully sealed side and edges to protect against spills and dirt. Integrated/robust "classroom front edge" has a unique cohesive design with a metal reinforced support plate and a leg lock insert into the cantilever leg for an integrated and durable finish.

Frame

Lightweight Frame with no caster required. Quad-welded lateral support for "Paragon durability." Kickstand crossbar provides front to back table balance. Floor glides integrated into design. For that special touch, the waterfall perforated modesty panel has a clean, lightweight design and extends smoothly down the cantilever frame.
