Interchange® Student Desks

Interchange 20x27 Single Student Open Front Desk

MODEL#: 04500

OVERVIEW

The Interchange Open Front Desk combines the spacious flexibility of our Interchange Student Desks with the convenience of built-in bookboxes. The Interchange Open Front Desk is available in both 3/4" and 1 1/4" thick work surface (see top & edge profiles).

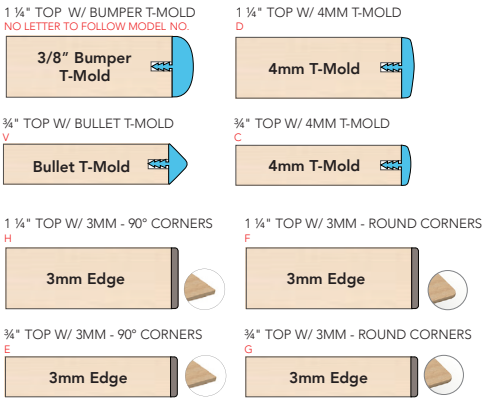

MATERIALS

The work surface consists of a 45 lb density particle board core with a 0.030" high pressure laminated surface and a 0.020" melamine backer sheet. The edge of the work surface features a t-mold edge that is mechanically fastened to the underside of the work surface every 6 to 8 inches to assure a long lasting fit. 1 1/4" or 3/4" thick top.

The legs have a rugged powdercoat finish that resists wear. The lower leg is constructed of 16-gauge steel and is chrome plated to resist scuffing. The sock style glide caps add protection against scratching floors and provide stability on un- even surfaces with their 1" adjustable leveling glides. Tabletop and legs are supported by one or more 2" x 3" channels with four breakovers for optimum strength.

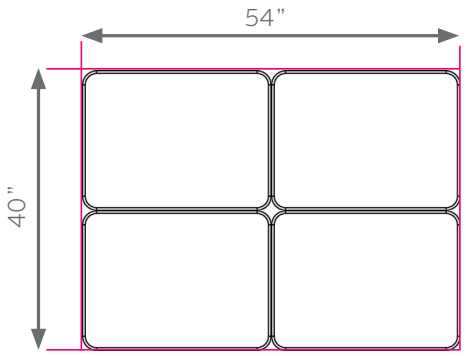

The bookbox is constructed of 18-gauge formed and welded steel. The box features a convenient, integrated pencil retainer. The legs are simply, but securely fastened to the bookbox via 2 bolts per leg.

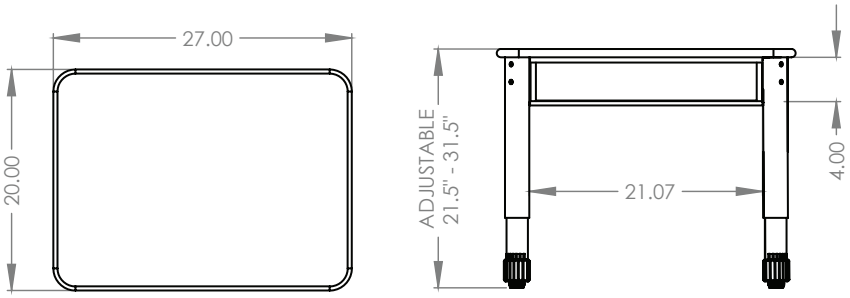

TOP AND EDGE OPTIONS

DIMENSIONS

Model	Description	D"	W"	H"	WT
04500	Interchange Student Open Front Desk	20	27	22-32	37

21.5" - 31.5" height (3/4" thick work surface)
