Get classroom furniture
– not frustration – fast,
with Smith System.[®]

Smith System's QuickShip program delivers a robust offering for your entire school, on time, shipped in as quick as 5 business days, to get your school ready with confidence. We doubled our inventory to take away any uncertainty on deliveries.

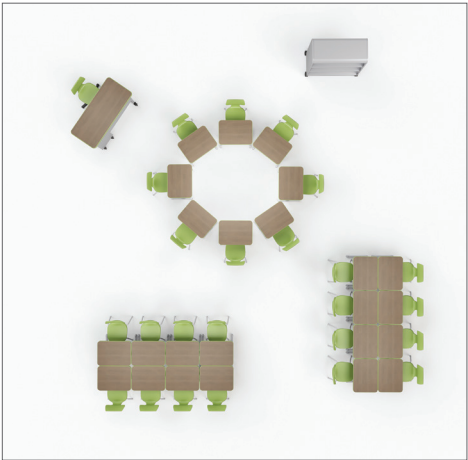

In this guide, we have put together 6 Collaborative Classroom ideas for you.

That Standard Desk that Sets a New Standard

The classroom has evolved from a static physical space into a dynamic learning environment. What made this evolution possible is the combination of a better understanding of the way students learn and the ability to apply that understanding through more effective teaching methods.

Naturally, as the teaching methods changed, so have the teacher’s tools, including the classroom furniture.

Silhouette® Student 20x27 Desk

The Silhouette desk is a contemporary, economic solution for traditional and collaborative classrooms. Its durable cantilevered design, adjustable legs, and optional storage accessories make it a timeless favorite.

Model	Description	Quantity
01650	Silhouette Single Student Desk 20x27	24
11849	Flavors Stack Chair, 18" high	24
26159	Cascade Teacher Desk	1
11840	Flavors Adjustable Chair w/casters	1
611000000P	Cascade Mega-Cabinet	1

Flavors® Stack Chair

Flavors four-position classroom chairs and stools offer maximum flexibility in seating options and movement. Students can face front, back, or either side. Torsional flex in the seatback and a flat seat lets learners freely adjust their posture – and attention.

Diamonds = Maximum Options

What’s so important about collaborative school furniture? Well, if a swim team tried to practice on wrestling mats it wouldn’t get very far because the environment is wrong for the learning process. Same thing with a collaborative learning classroom: because it’s student-centered learning – the polar opposite of traditional, information transfer learning – it needs furniture that supports it, starting with collaborative desks and collaborative seating.

Interchange® Diamond Student Desk

This versatile, contemporary desk designed for collaborative learning provides sleek looks and solid functionality. It can be arranged in compact groups of up to six. Its large work surface provides ample space for projects and work of all kinds.

Model	Description	Quantity
03082	Interchange Diamond Desk	22-24
33849	Groove Stack Chair, 18" high	22-24
26161	Cascade Teacher Desk	1
33840	Groove Adjustable Chair w/casters	1
31001500P	Cascade Mega-Case	1

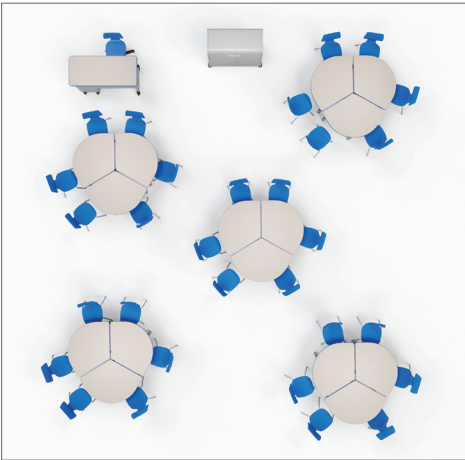

Groove® Stack Chair

Streamlined aesthetic. High-tech injection molding not only keeps the seatback strong and flexible, but it eliminates the exposed structural “ribs” on the back of the chair’s shell. It’s sleek and calm, yet familiar. It’s a crossover chair that quietly blends in anywhere: classrooms, cafeterias, flex studios, maker spaces and more.

Versatility Raised to the Power of Two

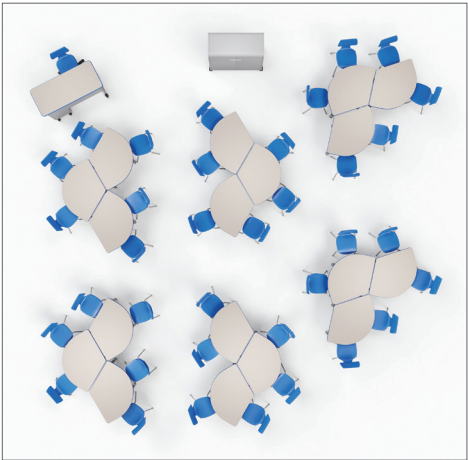

The classroom furniture’s design can help students learn (and teachers teach) in several subtle and not-so-subtle ways. Some of the more obvious ways are through meeting physical requirements like size, making sure the furniture is properly scaled to fit the size of the student. Classroom furniture that fits eliminates a distraction and helps students to concentrate.

Interchange® 3-2-1 Desk

This versatile, contemporary desk designed for collaborative learning provides sleek looks and solid functionality. The two-student desks can be arranged in many ways for both individual and group learning. Its large work surface provides ample space for two students doing work of all kinds.

Model	Description	Quantity
03011	Interchange 3-2-1 Desk	15-18
11849	Flavors Stack Chair, 18" high	15-18
26159	Cascade Teacher Desk, Single Pedestal	1
11840	Flavors Adjustable Chair w/casters	1
621000000P	Cascade Mega-Cabinet	1

Cascade® Teacher Desk Single Pedestal

The Cascade Teacher Desk provides a stable, mobile and versatile workspace and has an integrated wireway and modesty panel. It offers great ingress/egress plus the unique capabilities of Cascade Storage, a scalable solution for organization, storage and distribution of learning materials.

Versatile and Functional

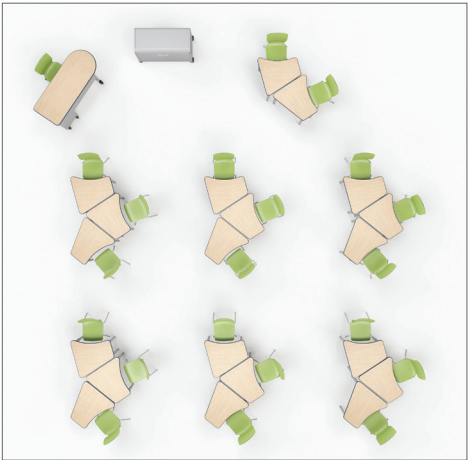

The educator needs more tools to facilitate group and project learning. One invaluable resource is a cabinet that allows project materials to be sorted and stored for each group, distributed to the group when needed, then put away when finished. This is also a valuable space for storing manipulatives.

Elemental® Student Desk Petal

The Elemental line is a great surface to be certain. But it's what's below that really counts. As with every product from Smith System, Elemental desks are built to stand up to any classroom activity or experiment.

Model	Description	Quantity
ELPETL	Elemental Petal Desk	20
33849	Groove Stack Chair, 18" high	20
26161	Cascade Teacher Desk, Single Bullet	1
33840	Groove Adjustable Chair w/casters	1
321000000P	Cascade Mega-Case	1

Cascade® Mega-Case

These compact, versatile, mobile classroom mega-cases are available with either tote trays or shelves and can be fitted with numerous options including locking doors, and a riser shelf.

Our Cascade Storage System allows educators to organize, store and distribute learning materials. Teachers can leverage this classroom storage solution to organize class materials by subject or lesson, or a tote can be assigned to an individual student.

Space Saving Design

Mobility is a crucial feature for furniture in a collaborative learning classroom. So, always consider optional casters for desks and tables. Without them, moving desks is a struggle for small students, and reconfiguring classrooms disrupts progress on lessons and projects.

Elemental® Triangle Student Desk

The Elemental Student desks are unique to the Elemental series; their leg sets are adjustable in height and are available in Platinum only. The Triangle Student Desk has a triangle shape that easily nests together for collaborative groupings.

Model	Description	Quantity
ELTRGL	Elemental Triangle Desk	22-24
11849	Flavors Stack Chair, 18" high	22-24
26159	Cascade Teacher Desk	1
11840	Flavors Adjustable Chair w/casters	1
611000000P	Cascade Mega-Cabinet	1

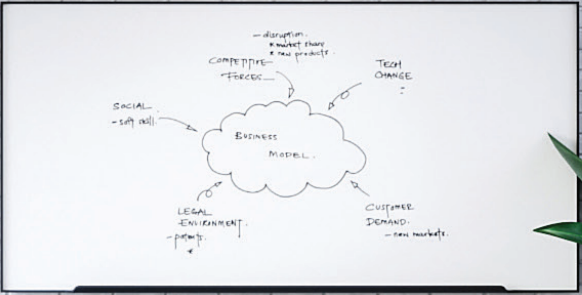

Cascade® Mega-Cabinet

These large, versatile, mobile storage units are available with either tote trays or shelves and can be fitted with numerous options including locking doors, and a riser shelf. Our Cascade Storage System allows educators to organize, store and distribute learning materials. Add a whiteboard back for a creative environment.

Adapt to any Learning Situation

For newcomers, sit-stand desks are just as they sound. The desktop is on a column that each individual student can easily and quickly adjust to the desired height. These ergonomically smart “floating” desks let students walk into class, instantly adjust their desk to their seating choice (or just stand) and get to work.

Some students may choose a low height and pair their desk with a standard chair. Others may choose the full height and stand or lean on the surface, with one foot casually propped on the desk’s base. Regardless, materials and digital devices are always at eye level.

Silhouette® Sit + Stand Adjustable Height Desk

With Silhouette Sit + Stand, students have the flexibility to choose their preferred position: sitting or standing. Styled to match the current line of Silhouette tables and desks, this mobile desk comes with lockable casters and angled legs to allow feet placement underneath the desk.

Model	Description	Quantity
01632	Silhouette Sit + Stand Large Rectangular Desk	22-24
33840	Groove Adjustable Chair	23-25
26161	Cascade Teacher Desk, Single Bullet	1
31001500P	Cascade Mega-Case	1

Groove® Adjustable Chair with Casters

Immediately supportive and comfortable. The ergonomic seat pan and subtle shell contours support movement in a working posture at a desk and sideways sitting. A gentle flex at the top of the shell opens the contours up for a reclining position. Generous waterfall seat front to support circulation to students’ legs and feet.
