

SNEEZE GUARDS

DESCRIPTION

These portable sneeze guards are the ideal solution to protect your students from the rapid spread of airborne bacterial germs caused by sneezing and coughing. Designed as a defensive barrier, these protective sneeze guards are durable, light weight, easy to clean, have clear sight lines, and can virtually be used anywhere. Available in one, two or three panel options.

FEATURES

- 1/8" thick clear acrylic
- Rounded edges for safety
- 2 and 3 panel models attached with full length plastic flexible hinges and base connectors with adhesive strips for securing to table surface
- Easy assembly
- One year warranty
- Made in the USA

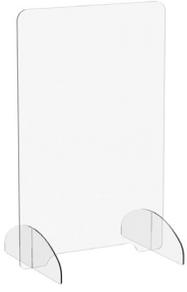

LEAD-TIME

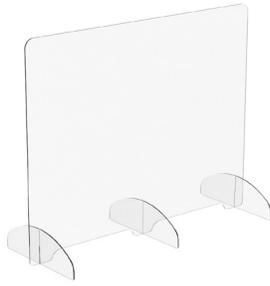

All models listed ship within 2 weeks. **NOTE:** To ship in 2 weeks, all products on a purchase order **MUST** be 2-week lead-time models. If any item on a purchase order is not considered a 2-week lead-time item, the entire order will ship at the time the longest lead-time item is available.
