Product Dimensions:

Surface Open: 34" L x 21" W x 4" H
Surface Closed: 34" L x 4" W x 21" H

Shipping Dimensions:

34.81" L x 21.81" W x 3.94" H

Product Weight:

11 lbs.

Shipping Weight:

17 lbs.

Weight Capacity:

150 lbs.

Features:

Horizontal, wall-mounted baby changing station made of high-density polyethylene is durable for public restrooms and commercial environments

Revolutionary installation template ensures baby changing station height is ADA compliant and allows for easy one-person installation

Large, concave diaper changing surface includes a polyurethane safety strap that rejects absorption of bacteria and is easy to clean and sanitize

Dual hooks keep diaper bags and purses nearby and off the floor

Lightly textured surface hides scuffs and marks

ADA compliant when properly installed and meets ASTM and ANSI standards

Choice of white granite, black, or dark gray color finishes to match any space
