Surface Closed: 34" L x 4" W x 21" H

Shipping Dimensions:

35" L x 23" W x 5" H

Product Weight:

14 lbs.

Shipping Weight:

17 lbs.

Weight Capacity:

150 lbs.

Features:

Horizontal, wall mounted baby changing station made of durable high-density polyethylene for commercial environments

Stainless steel backsplash adds extra wall protection and a refined, upscale finish

Built in liner dispenser adds convenience for caregivers

Dual hooks keep diaper bags and purses nearby and off the floor

Innovative installation template ensures baby changing station height is ADA compliant and allows for easy one person installation

Large, concave diaper changing surface includes a polyurethane safety strap that resists absorption of bacteria and wipes clean easily

Lightly textured surface hides scuffs and marks

Meets all safety standards and is ADA and ANSI compliant when properly installed
