

Stage guard rails shall have the following construction standard features and benefits.

### MODEL: W x H

- **STGR25:** 25" x 31"
- **STGR36:** 34" x 31"
- **STGR48:** 46" x 31"

### FINISH

All metal parts are thoroughly cleaned and electrostatically sprayed with a high grade powder paint and baked in temperature controlled ovens to obtain a high quality finish.

### GUARD RAIL FRAME

All guard rail frames shall be constructed of heavy duty 14 gauge x 1-1/4" round steel tubing.

### SAFETY

Guard rails are constructed of 14 gauge steel tube and attached with 2" wide x 5" long x 1/4" thick steel channel and a 1/2" bolt for strength and durability.

### MAS GREEN CERTIFICATION

Guard rails shall be tested and certified for indoor air quality, for public safety as well as environmental protection.

### WARRANTY

Guard rails shall be covered by a 15 year warranty.

All weld joints shall be covered by a lifetime warranty.
