Grade

Deluxe Cabinets

Our finest cabinet sets the standard with heavy-duty, 16-gauge steel door frame and numerous performance features

1 Heavier Gauge Construction
16-gauge fully welded frame and heavy duty construction provides superior sturdiness and increased strength over our standard cabinets.

2 Reinforced Doors
Doors incorporate an extra wide reinforcement that is welded for added strength and stability.

3 Adjustable Levelers

Two adjustable levelers compensate for uneven floors.

4 Double Handles

Two brushed chrome handles. Right handle uses three-point keyed locking to secure both doors.

5 Knuckle Hinges

Four-knuckle hinges for added durability.

6 Louvered Back Panel

Louvered back panel provides cabinet ventilation.

7 Adjustable Shelves
Shelves adjust in 2" increments without tools. Integrated shelf support tabs secure shelves tightly to cabinet without clips or added parts.

8 Raised Base
Raised base keeps contents out of harm's way from cleaning liquids.

Options

Door Styles

C-THRU DOORS

Provides the perfect solution for viewing contents of cabinets while restricting access. Great option for schools, industrial applications, airports and prisons.

SLIDING DOOR

Sliding Doors are an ideal solution for narrow spaces. Available in our traditional storage Jumbo Cabinet.

PERFORATED DOORS

Ensures continuous airflow for maximum ventilation of clothing, shoes, heat from electronics, etc. Available on our 72" high Standard cabinets and our 78" high Jumbo cabinets.

Additional Options

RECESSED HANDLE

Provides easy access without handles obstructing narrow aisle ways.

CASTER KIT

Caster kits are available for 18" deep and 24" deep cabinets. (24" deep only for Jumbo). Kit adds 6 ¾" to cabinet height.

Note: Casters are not available on units with pull out drawers.

KEYPAD HANDLE

Keypad Handles are battery-operated, safe, secure and provide controlled access. The keypad features a failsafe way to access the cabinet in case a code is misplaced or forgotten.

COLORS

Tennsco's Storage Cabinets are electrostatically painted with a tough, long lasting powder finish to ensure years of lasting beauty.

WOOD LAMINATE TOP

Sable oak high pressure laminate top provides a convenient work surface for desk and counter high cabinets.
