# ME-STATION

## Mobile Dry Erase Easel

### Features

- Mobile, dual-sided presentation surface with interior storage
- Allied 'Switchback' work surface system
- Large enough to use as a partition
- Easy to roll and lock in place
- Quick assemble framing system

### Specifications

**Writing Surface:** Generous 36" wide by 72" tall surface area. 3/4" Thick particleboard sealed with premium high-gloss dry-erase surfaces on both sides. Each ME-Station has 2 presentation panels, each with two usable surfaces. 2mm PVC edge profile seals boards for easy cleaning. Panels secure to frame with rear-mounted fasteners for user friendly replacement.

**Board Colors:** Premium ultra high gloss white. Custom colors are available based on order size.

**Frame System:** Unique quick assembly frame system is made of 18-gauge U-channel steel uprights and cross supports with 16-gauge Switch Back channel system for easy board placement.

**Shelves:** 3 interior surface areas provide usable storage space. Each surface is made from 18-gauge powder coated steel.

**Casters:** Non-mar locking casters allow for ease of movement on carpet and tile.

**Frame Colors:** Stop Red, Dynamic Blue, Electric Lime & Pure platinum.
